### Classroom: Infants

### Teacher:

Infants are invited and encouraged to participate in the activities planned for them. However, if an infant does not show any interest or chooses not to participate, he or she will be allowed to play independently. Diaper changing and nap is a regular required part of each day. Diapers will be changed every 2 hours and/or as needed and nap/rest is dependent on each infant's needs. The children are checked often to ensure that they are not in wet or soiled diapers and are changed promptly.

#### **6:00am – 7:45am | Arrival/Free Play**

Children are free to play with toys, puzzles, books, activities, etc.

#### **7:45am - 8:45am | Breakfast/Bottles Offered**

Teachers will assist children with eating \*\*

#### **8:45am – 9:30am | Activity Time / Sleeping:**

Art activities, stories, song, games, etc., focusing on physical, social/emotional, cognitive and language development. Allow tired children to sleep according to their need, even if they usually sleep at the same time as the rest of the group.

#### **9:30 – 10:15am | Outdoor Play Time: - If weather permits**

#### **11:15 – 12:00pm | Lunch**

Caregivers assist in the eating process as necessary. \*\*

#### **12:30 – 2:30 pm | Nap Time: Flexible depending on the needs of the child**

Infants sleep/rest in an individual crib or on an individual cot. Teachers supervise resting children. Provide quiet activities for children who do not sleep.

#### **2:00 – 2:30 pm | Snack Time:**

A fun, nutritious snack is provided to help keep them content until dinner. \*\*

#### **2:45 – 3:30 pm | Outdoor Play Time - If weather permits**

#### **2:45 – 3:30pm | Experiences**

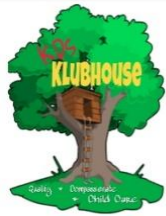

Caregivers will guide children in selecting what they want to play with and how. Observe and interact with children to extend play and learning. Read and sing with children individually or in small groups. Outdoor play

#### **5:30 – 6:30 pm | Wind Down end of the day:**

Visit and play with other friends. Prepare for departure

**\*\* Meal time is always a great time for social interaction and learning and nap is dependent on each infant's routine \*\***

Note: Diaper changing and toileting are done whenever the need arises.
